**RE: NOTICE OF NON-ENGAGEMENT / COPY OF REGISTERED CORRESPONDENCE**

**Related Parties:** The de Buitléirs, The Downeys.

Dear Superintendent / Officer in Charge,

I am writing to formally submit the enclosed documentation for your records and attention.

Attached to this cover letter is a copy of a formal correspondence I sent via **Registered Post** to members of my family yesterday, **November 19, 2025**. The original item was dispatched from the **GPO on O'Connell Street between 5:00 PM and 6:00 PM**.

The enclosed letter formally requested that the family immediately address serious and ongoing issues regarding the conduct of **Dr Cathal de Buitleir, nephew of Donal and son of Eileen de Buitleir**, specifically regarding allegations of harassment, surveillance, and safety risks.

I am notifying you that, as of the time of writing this letter (November 20, 2025), I have received **no confirmation, acknowledgement, or contact** from the recipients regarding the registered post or the serious matters detailed therein.

Given the gravity of the situation—which involves risks to my physical safety, financial security, and professional livelihood—I believe it is necessary to lodge this copy with An Garda Síochána to demonstrate that I have attempted to resolve these issues directly, but have been met with silence.

Please add this documentation to any existing files or logs regarding my case.

Sincerely,

**Declan O'Sullivan**

**Enclosure:** Copy of Registered Post letter dated November 19, 2025.
